- The dust-free solution; **start sanding without dust.**
- A completely even sanding net with thousands of holes provides phenomenal dust extraction, eliminating clogging.
- Lasts up to **10 times longer** than traditional abrasives.
- Save time and money, choose **Abranet® Ace**

Abranet® Ace is developed to achieve outstanding results on even the most demanding sanding applications. Multifunctional open net construction with ceramic grains offers superior cut and performance especially for hard woods (such as beech and oak), solid surface materials, fillers, primers and hard clear coats. Abranet Ace provides excellent dust extraction resulting in a cleaner work environment, as well as a better surface finish.
