Titebond PU Wood Glue Polyurethane

- 100% waterproof, epoxy-like strength, adhesive
- Passes ANSI/HPVA Type I & II Water-Resistance
- Bonds virtually everything and offers superior wood-to-wood performance
- 30-minute working time & 45-minute clamp time
- Excellent sandability and unaffected by finishes

Titebond PU Glue

#	
AJZ730	237ml

Rapid Set PU Adhesive Polyurethane 5-minute

- Professional quality ready-to-use PU adhesive
- Ideal for the bonding of window and door frames that need to meet class D4 according to EN204
- Foaming penetration action to fill bond cavities
- Suitable for use on damp wood
- Suitable for interior & exterior applications
