## Titon SF Xtra Flat Fit Vent

- High performance, surface mounted aluminium slot ventilator, suitable for PVCu, timber or aluminium windows.
- It is the shortest ventilator available on the market capable of providing an Equivalent Area (EA) of 5,000mm<sup>2</sup>
- Simple construction to aid painting, self-assembly and fitting
- High performance gasket combined with a compression closing action improves sealing in adverse weather conditions.
- Equally suitable for domestic and non-domestic applications, as well as retrofit projects
